

Polly Products

Picnic Tables

All Polly Product tables are made with high quality, 100% recycled plastic lumber. Recycled plastic lumber has rich, molded-in color, is maintenance free, will not crack or splinter, and is impervious to weather, insects and rotting which makes them ideal for outdoor durability.

Polly Products

Café Tables

In addition to the standard picnic and hexagon tables that Polly Products offers, we also present a group of tables with a more hygienic and easy to clean surface. These tables have a table top made of one solid sheet of plastic which makes them ideal for any food service establishment.
